“ Sorry to see where Arvis has passed away. He hired me at W.E. Pegues in 1982 and he and I worked together until he retired and where I continue to work today. I have a lot of fond memories of our time working together. We would talk on the phone maybe once a year catching up with each other and continued to send each other Christmas cards. Ironically, I addressed the card to him for this Christmas not two hours before learning of his passing. Comfort and prayers to the family.
