“ Dianne and I were like sisters instead of cousins. She meant so much to me. We grew up together on a hill in Westville. We saw each other everyday. I loved her so much. Jack know that you are in our hearts and prayers. Treasure your memories as Phil and I will. God Bless you and the family.

“ Her Beauty and her love! She alway had a smile or laugh for everyone that was around her and would help anyone she could. It was "Jack & Dianne" from beginning to the end. They were a great example for any couple to follow Love you all!

“ Precious Dianne and I have been best friends since Kindergarten. I spent many weekends out at the Covingtons growing up. We also were college roommates and loved each other dearly. We would talk on the phone for a long time and laugh and laugh at our experiences at Mississippi State. just as it had been yesterday, not over 50 years ago..
My love and prayers to all the family.
