“ Thank you all for the kind words. My Granna was a faithful, loving servant. I loved her with all my heart and will miss her wisdom, her voice, her unconditional love and most of all her friendship. I have been blessed with so many memories with my grandparents in which many of those memories were of time spent in Amory. Not many grandchildren can say that there grandparents were there best friends, but I can. I miss them terribly but rejoice in knowing that my Granna is smiling again as she is now with my granddaddy, forever.
