“ I am proud to say I knew Ken, when he called he would say "this is the other Ken". We were the first officers of the Vietnam Veterans of America, Chapter 842. He was a good recruiter in those early days, and he really helped build up the Chapter. He went above and beyond to help his wife, Dannis. We appreciate all what you did to help establish this VVA Chapter and to take such good care of your wife. May you rest in peace among the angels, you have served you time well, God bless.
